WASHINGTON--(BUSINESS WIRE)--Mar. 27, 2024-- CoStar Group (NASDAQ: CSGP), a leading provider of online real estate marketplaces, information and analytics in the commercial and residential property markets, today announced the winners of the 2024 CoStar Impact Awards.

The 2024 CoStar Impact Awards celebrated outstanding commercial real estate projects and transactions completed in 2023 and had a significant positive influence across 128 markets in the United Kingdom, United States, and Canada.

The awards recognised over 380 winners globally, including 35 from the United Kingdom, across three categories: Sale/Acquisition of the Year, Lease of the Year and Commercial Development of the Year. Winning transactions and projects—chosen for their impact on the vibrancy, economic activity, growth, diversification and innovation of their markets—were selected from a panel of 65 industry professionals drawn from each respective market.

"Now in its third year, the CoStar Impact Awards are an incredible opportunity to recognise the real estate projects fundamentally transforming the industry landscape," said Andy Florance, Founder and Chief Executive Officer of CoStar Group. "Our diverse panel of judges worked diligently to identify the most impactful commercial real estate projects across a range of categories that are shaping the future of the industry and the communities in which they serve. It's an honour to recognise the companies and projects propelling the real estate sector forward."

One notable UK winner was department store chain Fenwick in the Sale/Acquisition of the Year category for the sale of its 53–63 New Bond Street store in London W1 for £428m to Lazari Investments Limited to fund the growth of its online business. Lazari Investments intends to transform the retail building into a new sustainable mixed-use scheme with new world-class retail and Grade A office space, while making a positive contribution to the surrounding townscape.

Another noteworthy UK winner in the Sale/Acquisition of the Year category was the acquisition of the landmark Waldorf Astoria Edinburgh – The Caledonian in Edinburgh by property investment manager and hotel operator Henderson Park from Twenty14 Holdings. Henderson Park will invest in the historic 120-year-old hotel including room renovations and upgrading communal areas helping ensure the hotel retains its status as one of Edinburgh's emblematic hotels now and in the future.
