

CoStar Group Welcomes Boutique Consultancy RX London as New Client

February 5, 2025

LONDON--(BUSINESS WIRE)--Feb. 5, 2025-- CoStar Group, Inc. (NASDAQ: CSGP) ("CoStar Group," "we" or "our"), a leading provider of online real estate marketplaces, information, and analytics in the property markets, today announced a new client partnership with RX London, a boutique practice providing multi-disciplinary services in the central London market, with expertise in capital markets, leasing (traditional and flexible), development and lease advisory services.

This partnership will provide RX London, which prides itself on being an independent and insightful consultancy, with access to CoStar's market-leading commercial real estate data and analytics, which can be leveraged to support business development, client advisory, and insight-driven decision making.

"Our suite of products allows organisations of all sizes and geographies in the property market to reap competitive advantages and deploy highly sophisticated tools and insights to achieve their business objectives and deliver for their clients," said **Andy Florance, Founder and Chief Executive Officer of CoStar Group**. "Our partnership with RX London will provide the firm with unrivalled market data and insights, driving effective deal-making opportunities even in challenging markets. We look forward to supporting our new client's growth journey."

"Since inception, RX London has focused heavily on the quality and extent of our data. CoStar's tools and analytics are the perfect supplement to our data-driven approach and will further enhance our efficiency. In an ever-evolving market we consider this approach essential to delivering for our clients," said Hugh Ronan, a Partner with RX London.

The partnership further establishes CoStar as the global leader in commercial real estate information, analytics, and online marketplaces, trusted by many of the UK's leading real estate advisors, investors, and owners. These collaborations highlight the industry-wide recognition of CoStar's data-driven solutions as essential tools for staying ahead.

About CoStar Group

CoStar Group (NASDAQ: CSGP) is a leading provider of online real estate marketplaces, information, and analytics in the property markets. Founded in 1987, CoStar Group conducts expansive, ongoing research to produce and maintain the largest and most comprehensive database of real estate information. CoStar is the global leader in commercial real estate information, analytics, and news, enabling clients to analyze, interpret and gain unmatched insight on property values, market conditions and availabilities. Apartments.com is the leading online marketplace for renters seeking great apartment homes, providing property managers and owners a proven platform for marketing their properties. LoopNet is the most heavily trafficked online commercial real estate marketplace with over thirteen million average monthly unique visitors. STR provides premium data benchmarking, analytics, and marketplace insights for the global hospitality industry. Ten-X offers a leading platform for conducting commercial real estate online auctions and negotiated bids. Homes.com is the fastest growing online residential marketplace that connects agents, buyers, and sellers. OnTheMarket is a leading residential property portal in the United Kingdom. BureauxLocaux is one of the largest specialized property portals for buying and leasing commercial real estate in France. Business Immo is France's leading commercial real estate news service. Thomas Daily is Germany's largest online data pool in the real estate industry. Belbex is the premier source of commercial space available to let and for sale in Spain. CoStar Group's websites attracted over 163 million average monthly unique visitors in the third quarter of 2024. Headquartered in Arlington, Virginia, CoStar Group maintains offices throughout the U.S., Europe, Canada, and Asia. From time to time, we plan to utilize our corporate website, [CoStarGroup.com](https://www.costargroup.com), as a channel of distribution for material company information.
