

**U.S. Political Contributions and Industry Trade Association Memberships
— Calendar Year 2025**

This report outlines the political contributions and expenditures made by CoStar Group, Inc. (the “Company”) during the 2025 calendar year.

Political Contributions

In 2025, the Company made no direct, corporate political contributions in the U.S. to any candidate, political party, ballot initiative, campaign, political action committee or 527 organization and made no independent expenditures to influence elections.

Industry Trade Association Memberships

Below is a list of the trade associations of which the Company paid membership dues of \$25,000 or greater and the trade association reported to us that it allocates a percentage of its membership dues to political activities which may include lobbying. The Company’s membership in any trade association does not mean that it shares or agrees with all of the views advocated by such trade association. The conduct of the trade associations identified below is governed by their respective bylaws, and the Company does not control how they use the Company’s membership dues.

Trade Association	Membership Dues	Used for Political Purposes
American Hotel and Lodging Association	\$185,000	18%
National Apartment Association	\$320,000	25%

Donations to 501(c)(4) Organizations

The Company made one donation to a 501(c)(4) organization during the 2025 calendar year.

Name of Organization	Donation Amount
Abigail Spanberger Inaugural Committee	\$100,000
